NO-BAR LUMINAIRES

Architectural Range

**We are a lighting solutions company.
While at the same time, we are more than that.**

Like everything in nature is constantly evolving, we as a Lights manufacturing company too are evolving incessantly.

With over a decade of experience alongside the extremely creative and dynamic teams both internally and externally, we have now developed a clear understanding of what it means to provide lighting solutions.

Our focus is to provide a large range of standard and custom-made solutions to meet the need of distinctive projects.

If it has been designed or even imagined, we aim to create the solutions and ensure it has served the space in the best way possible.

Simply put, we are just not a catalogue of products, we are your extended team striving to achieve perfection in every project.

Made In India

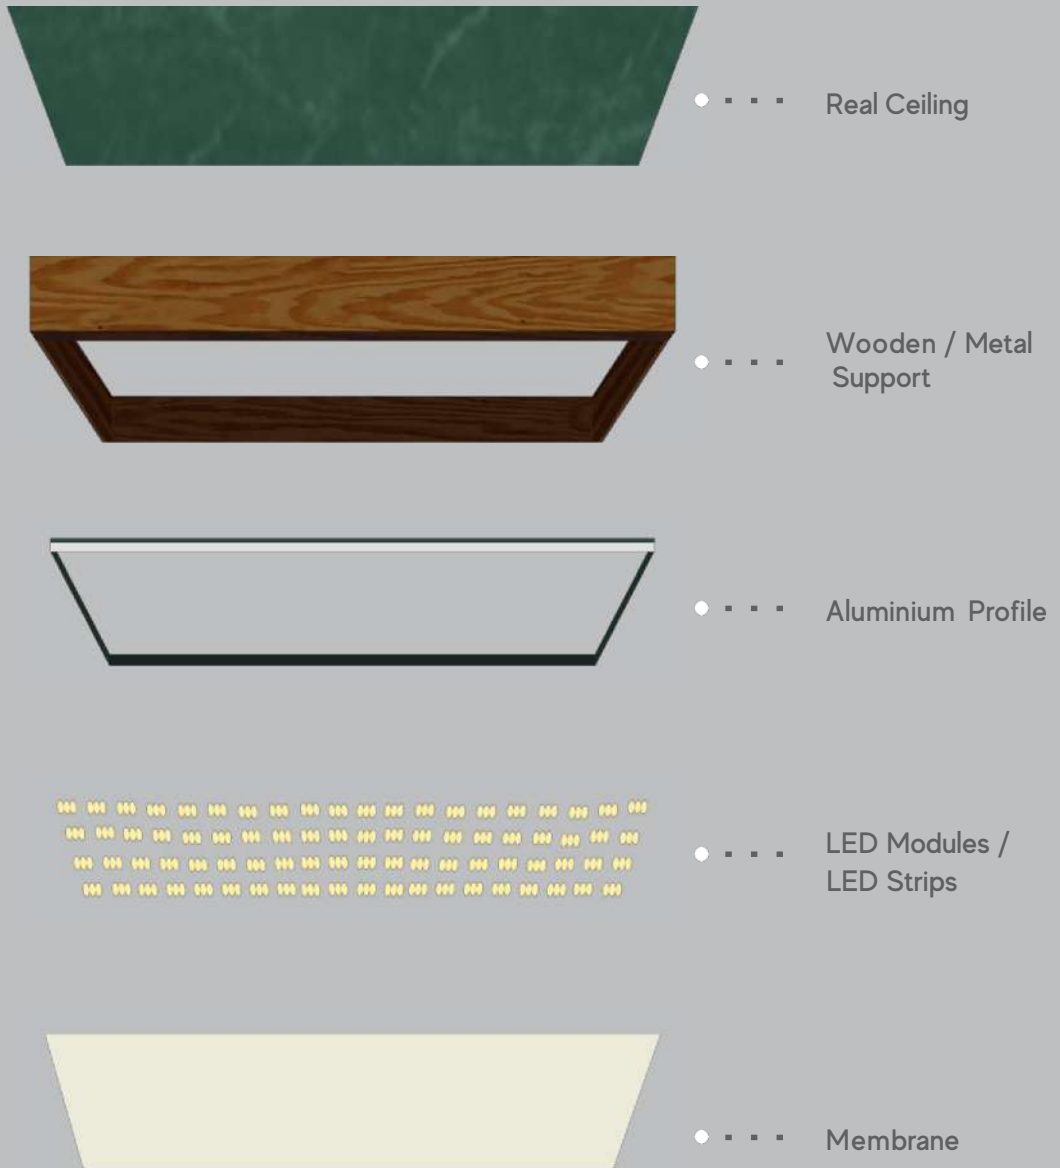

Brighten up spaces

Our solutions have lit up offices, industrial and commercial spaces, outdoors and consumer areas. We are constantly looking at ways to improve the end users' quality of life, and not just meet, but exceed our customers' expectations.

Our products:

- Resessed Downlights
- Surface & Suspended Downlights
- Surface Mounted Luminaires
- Recessed Luminaires
- Surface & Suspended Luminaires
- Architectural Luminaires
- Decorative Luminaires
- Industrial Luminaires
- Outdoor Luminaires

CONCEPT OF NO-BAR LIGHTING

“ Limitless Possibilities with our
All New NO-BAR LIGHTING

Non-Printed Stretch fabric (Plain Stretch Ceiling)

The Stretch Ceiling system consists of a membrane made of a synthetic material, cut to shape and size and installed as a false ceiling in a specific space. But unlike conventional ceilings, the Stretch Ceiling system is fixed only around the edges, mainly at a chosen height, using especially designed anchoring system, and always equipped with a safety locking system. The anchoring system guarantees solid fixing, but is easily removed

STANDARD

PRODUCT CATEGORY	Ceiling
WATT(±5%)	7W Per Sq ft.
CCT(±200K)	3000K/4000K/6000K
BEAM ANGLE	110°
CRI	>80
LUMEN/WATT(±5%)	45/50/55
WARRANTY	2 Years

FEATURES

- Possibility of different shapes, form or application Integration with other ceiling fittings Combination with wood and P.O.P. Light weight
- Needs no finish or paint touch up.
- Quick installation
- Anti-bacterial
- Anti-static
- Impermeable to water & steam.
- Energy saving 100% recyclable

Application Areas

- Corporate
- Retail
- Healthcare
- Residential
- Hospitality
- Showrooms
